<b>Comments</b>	<input type="text" value="I object to this application for buildings to 9 storeys . This is against the whole ethos idea and spirit of Welwyn Garden City With it's height and density and I doing so goes against WHBC's vision for a Broadwater Road. Also the SDC which indicates a maximum of 5 storeys. Also it will completely compromise the street scene not only in Broadwater road but many surrounding areas of the garden city being so tall and also so densely populated. It is so completely unsuitable and inappropriate."/>
