Comments	<input type="text" value="Very disappointed that Welwyn Hatfield Council is allowing so many high rise blocks of flats. This is not London. Agree we need some houses but not more flats. It sounds like the Broadwater Road area will be very densely populated and probably made up of many people relocating from London. How is the infrastructure of this area going to cope with all the proposed housing due to be developed in Welwyn Hatfield? Where will people work? All the factories/offices are being demolished and being converted to housing."/>
