<b>Comments</b>	<input type="text" value="A well considered and tasteful development providing much needed housing in a very convenient location. This will continue the rejuvenation of this part of town and bring new life that will help reinvigorate our declining town centre. Do not tolerate any more delays and obstructionism from people that want to deny others a chance at a decent life. People need affordable homes close to work, transport and shopping which this proposal provides. Start building!"/>
