Subject: Broadwater Development, objection.

Dear Sir or madam,

I object heartily to the 3 planning applications for the Broadwater road sites.

The density of dwellings is far too high.

Lack of green spaces, way below government guidelines.

Incredible 10 plus storey height, Tower Blocks in a town with none.

Failure to consider the true character of our town and it's heritage.

Traffic, local roads will not cope.

Insufficient Car Parking on site, so local roads will be used instead.

And so on!!!

Sincerely,
