<b>Comments</b>	<input type="text" value="I object to this application. It is no way in keeping with Welwyn GARDEN City. Our once beautiful town is drastically changing with the addition of so many high rise buildings, which will probably turn into a slum areas. We all appreciate that people need housing and I think you must agree that Welwyn Garden City has made a major contribution. If we still have to provide more accommodation, could you at LEAST consider reducing the numbers and provide houses or even maisonettes may be an acceptable alternative"/>
