

Comment for planning application 6/2020/3420/MAJ

Application Number	<input type="text" value="6/2020/3420/MAJ"/>
Location	<input type="text" value="Biopark, Broadwater Road, Welwyn Garden City AL7 3AX"/>
Proposal	<input type="text" value="Demolition of existing buildings and construction of 289 residential units (Use Class C3) and community hub (Use Class E/F.2), with public realm and open space, landscaping, access, associated car and cycle parking, refuse and recycling storage and supporting infrastructure."/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="The buildings are too high, too high-density and out of keeping with the ethos of the Garden City movement. Despite the many building styles currently to be found throughout WGC, successive developments throughout the last century have honoured the tradition of low density housing and green spaces. This development effectively sticks two fingers up at that tradition and will fundamentally alter the nature of the town and the way its inhabitants experience Ebenezer Howard's vision."/>
