Location	<input type="text" value="Biopark, Broadwater Road, Welwyn Garden City AL7 3AX"/>
Proposal	<input type="text" value="Demolition of existing buildings and construction of 289 residential units (Use Class C3) and community hub (Use Class E/F.2), with public realm and open space, landscaping, access, associated car and cycle parking, refuse and recycling storage and supporting infrastructure."/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="High-rise developments have no place in a garden city there is no additional infrastructure for schools parking doctors surgeries for a fully functioning A&E department it's the town desperately needs to add extra additional housing constraining the infrastructure and clogging up up all the major roads is not what this town needs. Careful thought and consideration on the number of properties available parking additional infrastructure needs to be thought out first."/>
