<b>Comments</b>	<input type="text" value="I'm extremely concerned that our Garden City will have more oversized flats in the middle of the town against the original Garden City spirit. Shame. My biggest concern is lack of parking spaces in the suite, schools and surgeries nearby. Schools are already struggling to cope with too many children, we can't make an appointment with our surgery recently and streets in the area are full of cars parked by residents so difficult to drive though. These oversized flats will not bring any benefits to the people living in this town many years and to the town for the lack of parking spaces and also trains to London will be more crowded. Please do not sell our garden city sprit for money."/>
