<b>Comments</b>	<input type="text" value="I object to the planned bio park 9 storey high rise flats, they will not have adequate parking, or the social/medical/school facilities to accommodate all these extra people. The main point is we are a Garden City and the design will dominate a large area which is not in keeping to the ethos of Ebenezer Howard's garden city concept. I know we need more housing but this isn't the way to go, please rethink and keep to the vision of Ebenezer Howard. Many thanks"/>
