<b>Comments</b>	<input type="text" value="I strongly object to the development as it is against everything that our Garden City stands for and goes against what is supposed to be the current maximum of 5 stories high. We do not have the infrastructure for this type of development; parking, schools, GPs surgeries etc. We do not want to be another nondescript suburb of London, we want to keep the G in our Garden City and not be surrounded by tower blocks. It's disgusting that this is even being considered, Ebenezer Howard must be turning in his grave!"/>
