Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I object to this application because it does not support the original ethos of the garden city: providing ordinary families and people spacious and comfortable living. If more houses are to be built, they should be following the example set by guiding principles of 1920s WGC design: Green spaces and gardens for all over profit for a private company."/>
