

Comment for planning application 6/2020/3420/MAJ

Application Number	<input type="text" value="6/2020/3420/MAJ"/>
Location	<input type="text" value="Biopark, Broadwater Road, Welwyn Garden City AL7 3AX"/>
Proposal	<input type="text" value="Demolition of existing buildings and construction of 289 residential units (Use Class C3) and community hub (Use Class E/F.2), with public realm and open space, landscaping, access, associated car and cycle parking, refuse and recycling storage and supporting infrastructure."/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Totally oppose this development at the increased height proposed. It is against the original plan of Welwyn garden city which was designed to avoid such cramped conditions and to create a more pleasant place to live with greenery and recreational areas. This Development does not comply with these ideas. Surely this has to be opposed because of this. It will look like an eye sore and ruin the appearance of the town, it will also start to look like any other London district. The town needs more houses for families. Currently if you look on the open market there are hundreds of flats for sale but very few houses. There have been so many flats built over the last few years, there seems very little demand for more so why build them? I am also concerned about the increase in traffic."/>
