

Comment for planning application 6/2020/3420/MAJ

Application Number	<input type="text" value="6/2020/3420/MAJ"/>
Location	<input type="text" value="Biopark, Broadwater Road, Welwyn Garden City AL7 3AX"/>
Proposal	<input type="text" value="Demolition of existing buildings and construction of 289 residential units (Use Class C3) and community hub (Use Class E/F.2), with public realm and open space, landscaping, access, associated car and cycle parking, refuse and recycling storage and supporting infrastructure."/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I strongly object to the Biopark planning application for the following reasons: Lack of sufficient parking which will severely affect the local area and its residents. It is going against the original vision for Broadwater Road of integrating the very best of 21st Century architectural design. It will congest Broadwater Road traffic and cause difficult driving situations in the town centre. 9 storeys will look unsightly and out of character for the Welwyn GARDEN City and will be seen from viewpoints for miles around the town and even further afield. Together with future plans for Broadwater Road, it will become a high density area of buildings with little greenery and places for recreation and will most certainly increase crime and bad social behaviour. Inadequate infrastructure, such as doctors/hospital, schools, transport other than train, which will be overcrowded for commuters into London. All in all, it will destroy our unique town forever if we do not stop this proposal."/>
