<b>Comments</b>	<input type="text" value="i wish to support the planning application on the old shredded wheat site.we are in 21st century and we need more local affordable and social housing.if we no longer are a garden city then so be it.people moved out of london to live in wgc years ago.they were lucky they moved to a garden city.now we just need homes-full stop.we are not going to lose any gardens on the proposed site as there weren't any.there. gardens in the rest of wgc will stay.people who are objecting to this are those who already have housing.we have to consider those who do not.more social housing is needed on any future sites in wgc and hatfield"/>
