Comments	<input type="text" value="This application rides roughshod over the town's garden city heritage and will contribute to the destruction of the character of our town. It is entirely inappropriate for a Garden City. Furthermore the proposed seven storeys exceeds the council's own restriction of five storeys. The town is really special and we need to make sure that actions we take now do not have a deleterious effect on that specialness which is recognised across the world."/>
