Comments	<input type="text" value="This will affect My Privacy as my back Garden will be completely overlooked!! It will affect my light and shorten my hours of sunshine as the sun sets behind the biopark as it is... If taller buildings go ahead.. My sun light hours will be shortened considerably! Which will then affect my health as I suffer with SAD. The dust from All the building will also affect my Asthma. 9/10 storey building goes against the Ethos of WGC"/>
