Comments	<input type="text" value="This development is not at all appropriate for wgc and contravenes the councils own rules on permitted storey development. Developments of this sort will have a significantly negative effect on the quality of life, look and environmental appeal of the town and must be avoided at all costs. I cannot believe they council has allowed the suggested development to get this far in the planning stages. This is not what WGC stands for or what makes its unique, special and a lovely place to live"/>
