<b>Comments</b>	<input type="text" value="Whilst I appreciate that people are crying out for homes, this and the other developments are going to put an immense strain upon the doctors, schools etc. Peartree Surgery has already one of largest patient lists and you want to add to this problem. It's hard enough getting medical treatment now. What happened to the original vision for WGC, certainly not the beautiful town it was when i moved here 45 years ago."/>
