<b>Comments</b>	<input type="text" value="Simply put, 8 or 10 floor buildings have no place in a garden city. Buildings of that height are not in keeping with the character of the local area and as someone who has recently moved to the town, contradict the fundamental values that attracted me to the area. Historically a 5 story limit has been imposed, there is no good reason to compromise this for this and subsequent developments on Broadwater Road."/>
