Proposal	<input type="text" value="Demolition of existing buildings and construction of 289 residential units (Use Class C3) and community hub (Use Class E/F.2), with public realm and open space, landscaping, access, associated car and cycle parking, refuse and recycling storage and supporting infrastructure."/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="As a resident of the adjacent estate I am very concerned about the parking. I think what the developers don't appreciate this isn't London and residents in Welwyn need cars. So not giving each flat one space means overspill on local streets. Personally I would like to see fewer flats being built altogether."/>
