<b>Comments</b>	<input type="text" value="This development is totally out of keeping with Welwyn Garden City and the Garden City concept. High rise blocks are absolutely not appropriate. The proposed developed is too high, too high density, there is not enough parking and woefully insufficient green spaces. The Planning policy for the area and the trusted principles on which Welwyn Garden City was built and which attracted people like myself to make it my home, appears under threat of being completely disregarded by multiple, covertly expanding proposed developments such as this one, to which I most strongly object."/>
