

Dear Planning Team

>

> I wish to raise an objection to the planning application referenced above regarding the multi-storey blocks of flats at the Biopark, Wheat Quarter and Southside.

>

> Unless the developers can guarantee there will be more frequent trains running on time consistently to and from London and Cambridge in addition to an influx of services such as Doctors, Dentists, independent shops and restaurants etc this proposal seems a colossally bad idea and contrary to the values on which WGC was built.
