<b>Comments</b>	<input type="text" value="Why are you, the planning committee, even considering this application, which goes totally against the ethos of the Garden City. PLEASE throw this application out, along with the new Plans for the Wheat Quarter. Please do not allow sites to build over 5 storeys, please build a mix of houses and flats,, allow for open spaces on the plans and car parking areas. The blocks of flats being built along Broadwater Road at present, are too high, are virtually on the road, thus exposing the poor people living in them to noise and fumes. Very wrong indeed, The planning committe members should feel ashamed to have allowed this to happen."/>
