| Comments | <input type="text" value="The build is higher than previously approved. Additional storeys added. The green space on original plans has been lost. The intended development is a concrete jungle and we need to remember the mistakes of the 60's and 70's. Welwyn Garden City will not longer be able to say we are a GardenCity. Welwyn Garden already have over stretched GPs and schools. There is no planning for addition infrastructure, addition GP's or schools. Lister is already stretched due to the closure of QEII A &E, theatres and wards and now the closure of the night assessment unit."/> |
