Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I oppose this new construction plan that does not fit the character of the town at all and is threatening to change this beautiful Garden City into a tower block city. The infrastructure in the town (schools/GP's/trains/roads) will not support so many additional residents. There is not enough parking spaces for this amount of additional residents. I am deeply concerned"/>
