Comments	<input type="text" value="I do not wish to see Welwyn Garden City lose it's Garden City status, in my lifetime. I owe it to the 'pioneers' who built this Garden City, many of whom I counted as both Friends and friends, to protest for it's heritage to remain. No Welwyn Garden City Structure should be above 5 storeys high and all should have sufficient designated green space, for each individual who lives here, to maintain it's Garden City ethos. The sole burden of maintaining Garden City credentials cannot and must not rest on Letchworth alone."/>
