

Comment for planning application 6/2020/3420/MAJ

Application Number	<input type="text" value="6/2020/3420/MAJ"/>
Location	<input type="text" value="Biopark, Broadwater Road, Welwyn Garden City AL7 3AX"/>
Proposal	<input type="text" value="Demolition of existing buildings and construction of 289 residential units (Use Class C3) and community hub (Use Class E/F.2), with public realm and open space, landscaping, access, associated car and cycle parking, refuse and recycling storage and supporting infrastructure."/>
Case Officer	<input type="text" value="Mr David Elmore"/>
Organisation	<input type="text"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="This planning proposal is adding to a newly developed residential area that is already too highly densely populated. It is also adding more high rise flats that are totally incompatible with the look of WGC and its underlying ethos and values. The high rise buildings being built further along this development have already undermined these principles and this proposal will further erode them. I think the Council has badly let down the residents of WGC by allowing the high rise developments along Broadwater Road and agreeing to this proposal will compound this mistake. Where in Ebenezer Howard's writings does he propose 9 storey blocks of flats housing hundreds of peoples in such a confined residential space?"/>
