Comments	<input type="text" value="I wish to protest at the plans to develop this site. The design of this site is appalling. Buildings are far to close with virtually no recreational facilities. Basic requirements for civilised living are missing, insufficient car parking and basic amenities such as open spaces, shops, medical facilities appear to have been ignored. The traffic levels in Broadwater Road, already very busy, will become unbearable when considered with the Wheat Quarter sites. The buildings are just grotesque. In my opinion this is a slum waiting to happen. Please think again and produce something more in keeping with the ideals of the Garden City. Yours disgusted, [REDACTED]"/>
