Dear Planning

I object strongly to the planned development in Welwyn Garden City (Planning Reference 6/2020/3420/MAJ), as it is not in keeping with the vision for Welwyn Garden City and your own rules limit buildings to 5 storeys, rather than the 10 storeys proposed.

I have no objection in principle to development, but the vision for the garden city must be kept, and the same rules that apply to residents must apply to developers.

In addition, the infrastructure of the city is not being developed in step with the new housing - for example schools, medical facilities, access roads are steadily being overwhelmed and the standard of living is tangibly decreasing.

Yours faithfully
