

I DO NOT WANT THE BIOPARK DEVELOPMENT TO GO AHEAD.

I would like to add my views on the development proposed at BIOPARK.

I do not want my green, beautiful town to be ruined by greedy, money hungry developers, who don't give a damn about the people they are building homes for.

These developers just want to squeeze as much money as possible out of the space they buy to build on. My main problems with this are:

- No where near enough parking for residents
- No where near enough parking for visitors

The land on which the parking should be build is then landed with more high rise FLATS. NO!

This is not nice and not in keeping with the Welwyn GARDEN City ethos.

Think about it and SAVE OUR WELWYN GARDEN CITY FROM GREEDY DEVELOPERS..

Thank you,

Resident and fan of Welwyn Garden City
