<b>Comments</b>	<input type="text" value="The proposed development of high rise apartments is totally antithetical to the aims and objectives of WGC. The proposed towers are far too high and against the council's own stated policy of 5 floors max. Even our Conservative MP Grant Shapps has expressed his reservations about this project (WH Times 10/8/21). Post pandemic there may not even be the need for so many commuter flats. Family houses would be preferable."/>
