

To who it may concern

6/2020/3420/MAJ

I am writing to you to express my concerns and opposition to the proposed development of these High Storey buildings in Broadwater Road.

These high rise buildings do not fit in with the ethos of what a Garden City is.

If these are passed then it will be a disgrace .

You need to listen to the community.

There is not enough infrastrctre for the ones who already live here let alone another 3000 flats.

I look forward to hearing from you regarding this urgent matter.

Regards
