Comments	<input type="text" value="The high rise buildings suggested with up to 11 stories is not in keeping with the heart and soul of Welwyn garden city. As someone currently in the process of buying a flat in Mercury house, I am shocked and disappointed to see this has been suggested abs that potentially my new home and view will be impacted by this. This is a garden city, and was created to be somewhere full of green fields, trees etc."/>
