Comments	<input type="text" value="I object to the building of 11 story accommodation as it is completely out of character to the overall aspect of the rest of the housing in WGC. I object as there is insufficient infrastructure locally to maintain the needs of this increased number of new residents. Not enough parking, medical facilities, school places etc. The surrounding roads will become too overcrowded and the area will become like an inter city ghetto bringing multiple problems to our comparatively quiet and peaceful town ."/>
