Good morning,

I am writing this email regards planning application

6/2021/0181/MAJ.

I just want to express my concern about this beautiful town turning into nightmare . These story blocks would look absolutely awful there and would cause total nightmare regards traffic on the roads which already now are totally busy in peak times. Why can't council consider of building something useful for this town ? Swimming pool or bowling place so that the families have a place to go to ?
