Comments	<input type="text" value="This should be a Garden City so high rise flats are just not appropriate. Where are these children going to play, go to school there are not enough places for more children. Doctors and dentists can't take on more people. The roads in WGC can't cope with extra traffic. Our town is becoming full of flats which are not for local people. Families need houses with gardens. Please don't let this happen."/>
