<b>Proposal</b>	Hybrid planning application comprising: Detailed Planning Application for 399 Private Rented Sector (PRS) dwellings and 153 dwellings (Class C3), 250 units of residential care accommodation for the elderly (Use Class C2) with associated communal facilities, 15,247m2 of community and commercial hub (Use Classes E and F1) with associated cycling hub, car parking, access, landscaping, public art and other supporting infrastructure; and Outline Planning Application for up to 418 dwellings (Class C3) with all matters reserved except access.

<b>Comments</b>	Nothing against using the site for the proposed new dwellings. But concerned that the new planning application has increased the number of dwellings dramatically from the original proposal. If the application is successful, particularly with so many storeys, Welwyn Garden City will become a concrete jungle.
