Comments	<input type="text" value="This really cannot be allowed to go ahead, the whole ethos of a garden town will be deytited if this is given the go ahead, we have no capacity in local infrastructure to accommodate the increase in people or traffic, there are already massive strains on doctor's surgery's, nhs dentist, schools and nurseries, the town l be grid locked, STOP! This madness, if you go ahead then you will be responsible for destroying this town, and this is on top of what he already been started such as the flats going up further up broadwater road, it's shocking to drive down this road and see the sky disappear behind the blocks going up"/>
