Comments We had this with TESCO plans changed More Accommodations built 10 stories WILL destroy the character of the Area The Silos that have been fought for will be unseen behind tall buildings more people WITHOUT any new services or spaces for there Cars Yes Cars very few of those moving to these new Buildings will WORK in WGC Trains are already crowded to London Where are the "open Spaces" for community use, HIDDEN in a Jungle of high RISE CONCRETE Whilst other towns are removing these blocks the Developers want us to have them My Answer is A RESOUNDING NO We fought TESCO this plan is JUST as bad ,I ,and I think many others thought it was all settled Perhaps Councillors should think TWICE before RUINING our town They may NEVER be FORGIVEN
