Comments	<input type="text" value="These buildings oppose what Welwyn Garden City is about! They are FAR TOO TALL, they are imposing and even looking at them in a picture I can tell I would feel them 'threatening' over me as I walked down Hydeway! I know buildings like this can't have the 'Gardens' that this town is about, but the small green walkways are not enough. I would hate to be a business worker/resident on the other (east) side of Broadwater road, they would be looming over you!"/>
