Organisation	<input type="text" value=""/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Looking at the plans and drawings this development looks completely out of character with the Garden City ethos. The buildings proposed are too tall(5 storey is meant to be the maximum) and this will overwhelm the area and the City in general. There is also a totally insufficient amount of green space which again is out of keeping with the Garden City ethos."/>
