Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="The plans for the new proposal for the wheat quarter are becoming an urban jungle it's not in keeping with what Welwyn garden city which was design as garden city . Not large blocks of flats being put up on the site with no open communal spaces between the blocks of flats and blocking the view to a prize listed building which has there for decades. Roads in area will blocked with all the extra traffic from the development"/>
