Organisation	<input type="text" value=""/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="it doesn't stay with a garden city setting. Nothing in the plan to help with social housing. parking will be a problem and it doesn't show anything in the plan that will not bring any much needed entertainment, or decent shopping experience or social or community networking / events. what we need is more doctors , a hospital , school . fresh life to welwyn garden city not a monstrous and unaffordable flats."/>
