Comments	<input type="text" value="Thank you for consulting the Gardens Trust, of which HGT is a member. We note that applications 6/2020/1573.TC and 6/2020/2409/TC were for extensive felling of trees which are part of the historic Sherrardswood Park. It would appear that an arboricultural report is available for this application although not included here. We are concerned at the volume of work proposed cumulatively for this site and that it will alter the character of both the historic landscape and the character of the area. We trust that WHBC can assess the arboricultural report and ascertain the necessity for the felling of these trees."/>
