| Comments | <input type="text" value="This application should be refused on grounds of overdevelopment. The height of the proposed buildings are totally at variance with the Council's own SPD for Broadwater Road. There is a lack of green space and the density is far higher than originally proposed. Ebenezer Howard must be turning in his grave? What happened to his ideal of Live, Work & Play in our town? What is really needed is more Social Housing to give our young a chance of a home in their own town."/> |
