Comments	<input type="text" value="I hope the council realise this area around Broadwater Road is at risk of becoming overpopulated, overdeveloped and too busy on surround roads as a result of this development. There is no mention of funding community services that are severely lacking and will be under greater pressure with added population. Again, no suitable parking provisions for each dwelling, insufficient disabled and electric car parking too. Finally, as mentioned by many, the five storey block height should be enforced and this town is at great risk of becoming tower block central with added risk of overcrowding, increase in crime and impacts on our town centre as a result."/>
