<b>Comments</b>	<input type="text" value="I object to the South Site development on the following basis - 1. 10 storey blocks of flats are not in keeping with the ethos of a garden city. They will be seen from across the town. 2. There is very little space and green in-between buildings. 3. Population density of the site is higher than in London. 4. Insufficient parking spaces for the number of dwellings. 5. There seem to be no plans for infrastructure, for the amount of increased traffic, schools, GP surgeries, increased train commuters, playgrounds for children."/>
