| <b>Comments</b>           | <input type="text" value="These properties that are being built have already made a detrimental disaster for WGC. These properties will be out of reach financially for local people. Even more so how are GPS, Lister hospital, schools etc going to cope when they are all struggling with the population as it stands now. If this carries on you will need to change the name of this beautiful place to Welwyn City. Ebenezer Howard will be turning in his grave to see the path that WGC is going down."/> |
