<b>Comments</b>	<input type="text" value="I feel obliged to object to this planning application the disappointing thing about this is they are adding more homes in a small confined area with lack of and parking, lack of facilities to enhance the capabilities of our town. Disappointingly this looks like a company is trying to maximise profit. As a note of reference to the SpinHill application why could we have not done that there is more housing more recreational and more facilities to support our town sadly we were let down by our council who objected it. This is now led to this monstrosity being put forward."/>
