Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="My grounds for objection are that the buildings are too tall and are above the Council's recommended limit of 5 storeys, are out of keeping with a garden city, have insufficient green space and are overpowering for the site. It is completely against the garden city ideals and the lack of parking and local infrastructure is extremely worrying as a current resident."/>
